Susan Schoepfel, Feted On Birthday

Susan Schoepfel entertained a group of her friends Friday afternoon, Nov. 5th, at a birthday party and picnic supper at her home on Indian Mound.

Her birthday cake, decorated by her mother, Mrs. Eddie Schoepfel, was in the colors of pink and blue with a miniature doll representing a foreign country for each of her seven candles. Decorations were balloons hanging from the ceiling and favors for the guests were popping crickets and juvenile hankies. Presented to her by her mother was a box of hand-made doll clothes.

After the games and opening of gifts a picnic supper was served of baked beans, hot dogs, potato chips, lemonade, ice cream cones and cup cakes decorated in the colors of the large birthday cake with the name of each individual guest on a cup cake. Susan's aunts from Pahokee, Mrs. Frank Thompson and Mildred Schoepfel, assisted with the party.

Guests for the afternoon were Janet Hotard, Beth and Lura Livingston, Linda Clayton, Suzanne Williams, Susanna Wierenga, Cherry Bridges, Marilyn Mock of Pahokee, Karen Kimball, Carol Vandez of South Bay, Lee Ann Berryhill, Jo Ellen Hudspeth, John Bamford, Vickie Riedel, Chappy Young, Lane Creech, Johnnie Spooner, Martin Buse, Skipper and Melissa Schoepfel.

Luncheon Compliments Mrs. Sterling Hunter

Complimenting Mrs. Sterling Hunter of Miami, Mrs. J. I. Freudenthal entertained at a bridge luncheon at her home on Indian Mound last Wednesday. High score prize was won by Mrs. Albert Hinson, second by Mrs. A. F. Hopson and guest

prize was presented to Mrs. Hunter.

Others attending were Mrs. Maurice Hart, Miami, Mrs. I. L. Pries, Mrs. Thomas Bregger and for H. L. Speer, assistant county agricultural agent.

Joining her husband in England some months later with their first child, Julia (found a different world altogether from her native land. After residing in England two years the Chapells returned to the States and the community where they first met.

Julia and Tommy were married in 1943 after a whirlwind courtship when he was an instructor in the British Air Force and stationed at Riddle Field in Clewiston. Shortly after their marriage he was sent to Canada and on to England for training as a bombardier. During his absence Julia worked as traffic manager for WSWN, Farmer's Home administration office, and for H. L. Speer, assistant county agricultural agent.

practicing his sales talk on unlimited credit reports on Roy Land of Panama City, who is in the same business in that West Florida city. The occasion was at a recent seminar of Credit Bureau of Florida held in Palm Beach.

During the business meeting the question of a school lunch program was further discussed. The committee which met with Mr. Henry Earwood reported on their study. The first problem is to ascertain the number of parents who want a lunch program and who will support it by sending their children there to eat. The standard price for school lunches in the county is 30c. One of the problems we will have to handle is the seasonal fluctuation of work and a fluctuation in the number of children needing to eat in a lunch room.

Mr. Earwood pointed out that this would be a heavy problem in maintaining a self-supporting lunch room program. He assured the committee that if on the basis of a community survey the possibilities of a successful lunch room are good, the County School Board will give its blessing and support. He told the committee that lunch rooms must be self-supporting in their operating costs although surplus funds donated by the Government help out a great deal.

To implement the further study necessary on the lunch room question, the following committees were appointed: Committee to draw up a questionnaire card for the community survey, Mrs. Ted Irvin, Mrs. V. R. McDonald, and Mrs. Julian Briggs. Committee to do a house to house survey on the need and support of the lunch program, Mrs. G. A. McGowan, Mrs. Joe Gambill, Mrs. Louis Funk, Mrs. John Atkinson, Mrs. Russell Judd.

The group decided to combine the membership drive with the survey.

Central Committee Of Girl Scouts Have Business Meet

The Central Committee of Belle Glade Girl Scouts held their regular meeting Tuesday night with Mrs. Robert Allen, chairman presiding. The group decided to meet the third Monday night in each month as the regular meeting date.

Mrs. Allen reported that a profit of about \$12 was made on the candy booth at the Carnival. Other decisions made were to furnish the first pins to Brownies and Girl Scouts at the expense of the Central Committee; to have each troop make plans for their own Christmas party, with a Christmas tree for the use of all scout troops to be purchased out of girl scout funds, and the tree to be given away to the troop that has the most girls in the troop.

It was voted to ask the Beta Sigma Psi Sorority to sponsor the girl scout troops this year, and also to have sufficient keys made so that each leader and assistant have a key to the scout hut, the keys to be turned in at the end of the year.

FLORIDA POWER & LIGHT COMPANY

NEWS OF GLADES BOYS AND GIRLS IN THE SERVICE

Charles Peacock completed four years service in the USN and received his discharge recently at Long Beach California where he served aboard the USS Higbee as metalmith fireman. He joined the service on December 2, 1954.

Peacock was among the men who participated in "Operation Flag Hoist" on the Island of Iwo Jima aboard the radar picket destroyer, USS Higbee. Approximately 40,000 Naval and Marine personnel took part in the largest training exercise held since the end of World War II, which was completed May 1954.

During the Korean war, Peacock saw active duty aboard the destroyer. He is the son of Mr. and Mrs. Charles P. Peacock of Belle Glade and is now an employee of the Belle Glade Machine Corporation.

Sgt. James B. Tyler, son of Mr. and Mrs. B. B. Tyler, Belle Glade is home after serving two years in the ordnance department with the United States Army, Fort Lee, Va.

Tyler was an apprentice line-man prior to entering the service and will again take up his duties with the Florida Power & Light Co.

Kobe, Japan — Cpl. William Coward, 21, son of Mrs. Letitia Coward, 524 S. W. Avenue D, Belle Glade, Fla., recently spent a seven-day rest and recuperation leave at Camp Kobe, Japan, from his unit in Korea.

Sightseeing and entertainment facilities at Camp Kobe provided Coward with a well-earned break in the task of maintaining security in Korea, where he is assigned to Company C of the 32nd Infantry Regiment.

Jack W. Gieckler, son of Mr. and Mrs. William H. Gieckler of 557 S. W. 18th St., will report for training Nov. 5 at Lackland Air Force Base, San Antonio, Texas.

Johns Encourages Marine Enlistments

In a move to encourage volunteer enlistments in the Citizens E. Johns issued a Proclamation naming November as Organized Marine Corps Reserve month in Florida.

In a brief recorded statement prior to signing the Proclamation, Governor Johns urged all citizens to make defense their business. He called upon the youth of the State to support the drive for volunteers in the Marine Reserves and by so doing, "give but a little of your time to so many of our people." He said that the United States Marine Corps Reserves are dedicated to the defense of all we hold dear and dear.

In a grim voice, the Governor warned that all the glorious gifts that a Divine Creator lavished upon us are at stake and could be reduced to radiating ashes under the mushroom cloud of an atomic blast. To assure adequate defense for the State, he called upon the youth to show all the world that Florida intends to keep her place in the sun by supporting the Marine Corps Reserve.

The Proclamation noted that Florida volunteers have always faithfully supported the Citizens Marines and that this support reflected great credit on us. It also stated that Marine Reserves have distinguished themselves both in peace and in war as a trained citizen force capable of devastating retaliatory action against enemies of our country.

In concluding his remarks, he called upon the young people to join with all the people of the State during November and make all the months to come a re-declaration of their belief that defense is our business.

PB Oratorio Society Invite Local Talent

Last Monday evening, the second rehearsal of the Palm Beach Oratorio Society took place in the band room of the Palm Beach High School. The attendance was so large that every available outside chair was moved in and people sat on the steps of the risers and stood throughout the entire 2-hour rehearsal. The enrollment to date is 172.

There were people from Belle Glade, Chosen, Lake Worth, Riviera, Jupiter Beach, Jupiter and the Palm Beaches. There were 16 church choirs of various denominations represented, as well as some of their directors. Ministers, Doctors, lawyers, business men, housewives, career women, boys and girls of school age and people from every walk of life are in this very cosmopolitan group. Every one including the board, the director and each member of the chorus were thrilled by the tremendous unified effort in one mutual objective — the presentation of that magnificent masterpiece, HANDELS' IMMORTAL MESSIAH.

Lack of room for this large group makes it necessary for the committee to change the place of rehearsals. Dr. Earl Barksley, chairman of the committee, made arrangements with Dr. Harry Walker of the First Methodist Church for use of his church for all future rehearsals and so beginning next Monday evening at 7:30—rehearsals will be held there.

The society would like to stress the following:

This is a county wide project open to any one interested. Deadline for registration for membership will be November 16.

Tryouts for soloists will be held in the band room at the high school, November 17 at 7:00 p. m.

Place of rehearsals for the chorus—First Methodist Church on alternate Mondays and Tuesdays beginning this week on Monday the 8th.

Production date—December 28 at the Palm Beach High School Auditorium.

Dixie Laundry To Sponsor Annual Golf Tournament

The Dixie Laundry of West Palm Beach, will sponsor their 12th annual "DIXIE LAUNDRY GOLF TOURNAMENT" at the West Palm Beach Country Club. Qualifying will begin Saturday, November 13th and continue through Sunday, November 21st. Pairings will be made Monday, November 22nd, all players will be placed into flights according to their qualifying scores and given handicaps, match play to decide the winners of each flight. First round matches must be completed by Sunday, November 28th and at that time, one week will be allowed for each match.

This Tournament is open to all men and women golfers in Palm Beach County and other nearby areas. There is no entry fee charge for the tournament. Entrants from other areas and non-members of the club will be permitted to play for the qualifying round and all other rounds in the tournament for a special green fee of \$5.00. No charge to the members of the club.

The Dixie Laundry will provide all the prizes for the tournament, and will consist of valuable merchandise to be awarded.

A Fair Exchange

MIAMI — To Mrs. Carlotta B. Alderman of Jacksonville, Fla., who will go a life membership in the Florida State Chamber of Commerce when that organization meets here on Nov. 14-16. She recently donated a 4-acre headquarters building site to the State Chamber, located on the Jacksonville Expressway.

Fence-Building Guide Available

A new guide for farmers and ranchers interested in planning an effective and economical fencing program is now available from U. S. Steel Corporation.

The publication, "Fence Planning Saves . . ." includes helpful hints on charting a planned program, modern field arrangements and selecting material. A grid on which a map of the entire farm or ranch can be traced and a cost analysis sheet of the materials needed in a planned fencing program are two of the highlights of this new folder. Along with the grid, there are mapping symbols, a scale and instructions on the procedure to follow in tracing the farm on the grid.

After the farm has been drawn to scale, the materials needed for a planned fencing program are easily determined by computer and the map the amount of wire, pressure-treated posts, and miscellaneous hardware and lumber needed. This information is then recorded on the bill of material cost sheet to determine the cost of the complete project. When developed, a plan such as this re-

Big Increase

MIAMI—Florida "bank" sources were valued at \$1.5 million when the Florida State Chamber of Commerce was founded in 1914. They had reached a total of \$2,838 million by 1953, the organization will report at its 38th annual meeting here on Nov. 14-16.
